CP950

CARTON & PACKAGING PRINTER

Afinia Label CP950 | Carton & Packaging Printer

The CP950 Carton & Packaging Printer prints in full colour, directly onto a variety of product packaging up to 6mm thick. Powered by Memjet technology, the CP950 prints at up to 18 m/min onto packaging such as cardstock, cardboard, paper boxes, to bags, and envelopes that have been coated for inkjet printing.

Experience the ease-of-use and benefits the CP950 brings to in-house package printing, including increased flexibility and variable data printing capability.

Specifications
